

# Residential parks in South Australia

The list below is a guide only. Catalyst Foundation (including Seniors Information Service) does not endorse any particular residential park operator.

These are sites operated exclusively under the South Australia Residential Parks Act 2007 and includes dedicated residential parks with dwellings owned by the residents and also mixed-use parks (residential and tourist/holiday) where it is possible to rent a dwelling. The Act applies to all agreements which give a person (*a resident*) a right to occupy a dwelling (*whether or not it is owned by the resident*) in a residential park as their principal place of residence for 60 days or longer. See also Catalyst Foundation's fact sheet *Residential Parks Housing*.
