# GET ON BOARD

Public transport made easy

*an initiative of.*  Catalyst  
Foundation

## What is 'Get On Board'?

'Get On Board' is a pilot project funded by the Department of Planning, Transport and Infrastructure with the aim of making it easier to access information and use public transport services in the City of Playford.

The public transport system can seem complex if you haven't caught a bus/train/tram for a long time or maybe never.

## Is there a cost to access the Get On Board Services?

There is no cost for the 'Get On Board' services including Travel Companion services during the project. (September to December 2018). Clients are required to purchase a ticket to travel on the bus/tram/train when using Travel Companion services.

## OUR VOLUNTEER BASED SERVICES

Once you are familiar and confident with the public transport system, you can travel just about anywhere in metropolitan Adelaide. Our volunteer services make it easier by providing:

- Step by step training and education on how to install and plan your journey using metroMATE
- Travel Companion services
- Public transport information and education services at the City of Playford

### WHAT IS TRAVEL COMPANION?

Aimed at new users, our volunteer Travel Companion service is designed to accompany you on a journey or several journeys and explain to you how to use public transport.

### HOW DO I ARRANGE A TRAVEL COMPANION TO ASSIST ME?

Please call the number listed on the back of this brochure to book a trip.

### WANT TO KNOW HOW TO RECEIVE "REAL TIME" TRAVEL INFORMATION?

Talk to our friendly volunteers at the Elizabeth Station Interchange, Elizabeth Railway Station, Elizabeth City Centre Interchange. We can help you to install and use metroMATE on your mobile or tablet.

### INFORMATION AND EDUCATIONAL SERVICES AT THE CITY OF PLAYFORD

The 'Get On Board' project will initially be delivered at Elizabeth. We anticipate expanding to other locations including Smithfield and Munno Para.
